

CALL FOR PAPERS
37th Annual Eastern Conference
Consortium for Computing Sciences in Colleges (CCSC)
Marymount University
Arlington, VA
October 22-23, 2021

Papers, panels, posters, lightening talks symposiums, tutorials, and workshops are invited across all business topics related to computer science techniques and applications, and on innovative methods of teaching computer science.

Make plans now to share your research with us in October and reunite with colleagues.

**The submission process opens April 15th
through June 1, 2021**

Faculty Papers, Panels, Lightening Talks, Workshops: Click on the following link to make a submission to the conference: [https:// http://www.ccsc-eastern.org/participation](https://http://www.ccsc-eastern.org/participation). Instructions for the submission process are given. Files must be submitted in PDF format.

Student Papers and Posters: Students (Undergraduate and Graduate) are encouraged to submit papers to the appropriate subject track. Students working with faculty sponsors are encouraged to submit posters to the Undergraduate Student Poster Session. The submission process will open on April 15th and the deadline for student papers is June 1, 2021.

More details can be found on the website: <http://www.ccsc-eastern.org/participation>
